5. Please provide a one sentence "testimonial" about Forestry Challenge:

Students get the amazing opportunity of immersing themselves in real life application of their education

This is an amazing event that challenges and supports students while plugging them into a network of professionals for future career opportunities.

The Forestry challenge provides a singular experience that opens doors and minds of ALL participants creating a profound knowledge base that will hopefully have net positive gain on future forest management and wildfire mitigation.

This event not only academically challenges all students but educates them about best forestry management practices.

I am so impressed at how engaged my students were and how well they performed under pressure. The Forestry challenge is an amazing event that exposes kids to careers and helps them grow.

My inner-city student came alive in a new way! Their confidence in their own independent and team learning increased with each activity. Thank you to Diane and her incredible team of staff, volunteers and Foresters for a truly transformational leadership and career skill development event!

This is an amazing opportunity for students to learn and grow as environmentally conscious humans.

This was a fantastic event! The students learned so much about applied forestry and what happens when a college major becomes a career. It was very well organized.

Forestry Challenge is a wonderful Hands on learning experience for student.

This is an amazing opportunity for educational growth and life long memories!
