5. Please provide a one sentence “testimonial” about Forestry Challenge:

This was an amazing experience for my students to be exposed to that is far beyond what I can accomplish in the classroom.

Forestry Challenge is an engaging and rigorous introduction to forestry science and natural resource management.

I really love to see the way Forestry Challenge sparks growth and leadership in my students while helping them discover future career possibilities.

It's very inspiring seeing our students interact and fall in love with the forest and natural environment, because they often times don't get to while living in an urban environment.
