10. Please provide a one sentence "testimonial" about the Forestry Challenge:

*I love coming to the Forestry Challenge every year and cannot wait to come back to this amazing experience.*

*The Forestry Challenge is a pretty cool event that let me see the more precise side of nature and put me through relevant team activities to learn different measuring skills and the such.*

*I really enjoyed this experience, and I am glad I got to go my senior year, the forestry challenge is something I'll never forget.*

*I really enjoyed the Forestry Challenge and being able to learn about different trees and how to analyze them, and the experience in HESR along with taking in the beautiful sights.*

*It was really nice to get out into nature and disconnect from the city.*

*Forestry challenge teaches you the importance of self-reliance and diligence when working in unfamiliar environments.*

*The Forestry challenge was challenging because it really puts your data gathering skills to the test, overall I had a lot of fun exploring and learning so much more about forestry, it was just stressing the work provided and even though we talked the challenges it really stretched me making me understand where my weaknesses are.*
