4. What was your favorite non-academic part of the event and why?

Being Outside **10** Food **3** Free time **4** Night Hike **2** Career Development **4**
Other teachers/schools **3** Sleeping **2**

5. Please provide a one sentence “testimonial” about Forestry Challenge:

I love watching my students learn about a topic test in the outdoors that is not familiar to their immediate community, I believe it helps them be better members of the world.

Forestry Challenge is such a hands on experience in nature, unlike what's typically in classrooms which is what makes it so exciting to be apart of.

A fantastic hands on learning experience for students, and a great way to experience real world applications of learning.

The quality of the programming is sensational. The kids have access to forestry professionals, education about career training and a glimpse at what working in the forest might look like. Very well run.

Forestry Challenge is an incredible learning experience for students to apply science skills alongside industry professionals.
