The Forestry Challenge was a good learning experience prepared me for the future.

I learned so much from this experience and I look forward to improving next year.

This is a great formative experience that combines academics with community and real word applications.

Our first time experiencing forestry challenge was eye opening and an opportunity that we would not find anywhere else. Thank you Forestry Challenge for furthering our passion for protecting the environment.

Every year I have participated in the Forestry Challenge, the generosity, passion, and pure enjoyment expressed by the staff, foresters, and teams throughout this entire unique and beautiful experience never fails to amaze me.

Forestry challenge has made me think about a career in forestry and has grown my appropriate for the forest and the work that goes into it.
