6. Please provide a one sentence “testimonial” about Forestry Challenge:
The Forestry Challenge was a fun yet comprehensive and extensive yet well organized opportunity for students to get a taste and foot in the door of our state’s promising forestry sector.

My students take away real information and an awareness of a promising career where they can be a part of long-term solutions.

Forestry Challenge is an amazing experience. You can bring students with all levels of knowledge.

I have brought students to the Forestry Challenge for 6 years because they actually get to implement their knowledge with real life work. I wish all schools could work this way.
