

2017 CHAMPIONSHIP FORESTRY CHALLENGE TEACHER EVALUATION FORM

11 Responses

Thank you for participating in the Forestry Challenge Championship. Without your enthusiastic participation, this event would not be possible. We would like to improve this event in the future, and you can help by completing this evaluation form. ***If you need more room, want to explain an answer, or let us know anything else, use the backside!*** Thank you.

1. Please rate the following parts of the event:

Field Trip / Focus Topic	EXCELLENT	10	GOOD	0	FAIR	0	POOR	0
Field Testing	EXCELLENT	7	GOOD	2	FAIR	0	POOR	0
Food / Accommodations	EXCELLENT	6	GOOD	3	FAIR	1	POOR	0

2. How did this Championship event compare to the event you attended in the fall? Would you come to this event again? **Should this event continue?**

YES: 11 NO: 0

3. As a result of participating in the Forestry Challenge program as a whole, are you better equipped to teach and discuss forest management back in the classroom?

YES: 9 NO: 0

4. Describe the value of educating the public on benefits of active forest management using science and data to make decisions.

“The longer I remain in science, I realize that I am not teaching students but citizens. It is important to teach students resource management because we share our resources.”

“Using data to make scientific decisions or rather any decision is important for young people to learn. It is especially important to manage our forests of CA because people don't realize how ALL Californians are affected by our forests both economically and for our water and air quality.”

“It is important that kids become responsible citizens and understand the ramifications of what happens in their backyards.”

1. Is there anything we should do better at this event?
