

2017 SEQUOIA FORESTRY CHALLENGE TEACHER EVALUATION FORM

11 Responses

Thank you for participating in the 2017 Sequoia Forestry Challenge. Without your enthusiastic participation, this event would not be possible. We would like to improve this event in the future, and you can help by completing this evaluation form. ***If you need more room, want to explain an answer, or let us know anything else, use the backside!*** Thank you.

1. Did you find the CFC website well organized and easy to use? YES **8** / NO **1** / NA **2**

2. Do you have any suggestions for improving the website?

Some changes on student page were not reflected on teacher page.

3. Please rate the following parts of the event:

Field Training	EXCELLENT	5	GOOD	3	FAIR	1	POOR	1
Fieldtrip / Focus Topic	EXCELLENT	7	GOOD	2	FAIR	1	POOR	0
Field Test	EXCELLENT	8	GOOD	2	FAIR	0	POOR	0
Food / Accommodations	EXCELLENT	8	GOOD	2	FAIR	1	POOR	0
Social Activities	EXCELLENT	7	GOOD	3	FAIR	1	POOR	0

4. What was your favorite academic part of the event and why?

6 – Training 4 – Field Trip 1 – Presentation

5. What was your favorite non-academic part of the event and why?

6 – Hikes/Zip line 4 – Mealtime/Socializing

6. Please provide a one sentence “testimonial” about the CFC:

“This was an eye opening experience for our students. They have learned skills to help them with FFA competitions, make new friends, and for several of them, strengthened their desire to become foresters.”

“Wonderful experience for my students.”

“Forestry Challenge is a wonderful project-based learning program that gives students a glimpse into the life of a forester and so much more.”

“The veterans of various forestry backgrounds provided valuable insight into a problem (i.e. forestry mismanagement) produced by misguided politicians.”

“This was an inspiration experience. I am so excited to see what my students will do with this knowledge!”

“A condensed and broad education about the condition and future of our forests.”

“Super awesome career based and industry presence at event. Connection with industry makes it ‘real’.”

“This is an amazing program that takes academic studies like biology and geometry and glues them together and is a chance for students to apply those subjects in real life.”

“I am a devoted fan of Forestry Challenge as in depth educational adventure!”

“Our students need to get out of the classroom and out of the city to learn to respect, appreciate, and enjoy nature. We cannot expect our students to protect and appreciate the forest through a book, photo, or video. They must touch it, measure it, and feel it to do that.”
