7. Are you more or less likely to pursue an education in forestry, logging or natural resources?

MORE **62** / LESS **16** / NO CHANGE **39**

8. Please provide a one sentence “testimonial” about the Forestry Challenge:

“The Forestry Challenge helped me develop a deeper understanding of how important trees are and how much they affect us.”

“The Forestry Challenge is a great way to understand the forest around us and how it affects our lives.”

“I loved how we truly got to learn about nature, in nature, and how to maintain a healthy forest.”

“A really enjoyable experience that provides awareness for forestry careers, while also educating students on basic forestry problems and bring about awareness for the environment.”

“Forestry Challenge is a unique competition that highlights topics that aren’t covered in schools as well as providing numerous avenues of opportunity for the future.”

“The Forestry Challenge provides students with insight to the scientific world as well as opening up social circles for teenagers.”

“Overall, the Forestry Challenge provided me with an opportunity to build upon skills I may use in the future. It has given me a new appreciation for forestry.”
