6. Please provide a one sentence "testimonial" about Forestry Challenge:

Forestry Challenge provides my students the opportunity to learn about potential careers, careers that they likely would never have known existed.

Probably the best field trip I have ever taken students on.

I have participated in the Forestry Challenge for 5 years and it is one of my favorite things to do with my students. The hands on learning and access to forestry professionals is unparalleled.

It's a fantastic opportunity for hands on learning and a terrific introduction to the career possibilities available in forest management.

Forestry Challenge is an amazing opportunity for students to connect with nature, see real world applications of what they learn in school, and learn about careers in forestry and natural resource management.

DOING science, the beauty of nature, fun and friends. All of the elements you need for a great time.
