The Forestry Challenge has allowed me to learn and explore in a new environment.

The Forestry Challenge is an enriching event that opens doors and eyes to the underrepresented forestry field.

The Forestry Challenge is an incredible opportunity for high schoolers to advance our knowledge on the environment, and I’ve had an amazing time and can’t wait for next year!

Wonderful way to get a grip on what a career in forestry might look like.

The Forestry Challenge provided me with a more in depth experience than any other program I’ve been in.

Forestry Challenge is one of the best, most unique experiences and opportunities highschoolers interested in the environment have access to.
