9. Please provide a one sentence “testimonial” about the Forestry Challenge:

This was a great experience for me because I have never had the chance to leave my city, let alone go camping and learn about forestry.

Exploring the forest, measuring the trees, and bonding with students from different schools was an enjoyable and unforgettable experience.

The Forestry Challenge allowed me to step out of my comfort zone in several ways. I got the chance to meet knowledgeable foresters, Meet new people, try out the zipline, and even hone my skills in pool.

Experiencing snow for the first time was lovely, I’m not sure I would have the opportunity to try it again.

I never thought I’d see the day where I’m happily throwing myself off an edge to zipline.
