

2022 SANTA CRUZ FORESTRY CHALLENGE TEACHER / CHAPERONE EVALUATION FORM

Thank you for participating in the 2022 Santa Cruz Forestry Challenge. Without your enthusiastic participation, this event would not be possible. We would like to improve this event in the future, and you can help by completing this evaluation form. ***If you need more room, want to explain an answer, or let us know anything else, use the backside!*** Thank you.

1. Did you find the website well organized and easy to use? YES / NO

2. Do you have any suggestions for improving the website?

3. Please rate the following parts of the event:

Field Training	EXCELLENT 12	GOOD 6	FAIR 1	POOR
Focus Topic/Data Collection	EXCELLENT 15	GOOD 4	FAIR	POOR
Field Testing	EXCELLENT 9	GOOD 8	FAIR	POOR
Food	EXCELLENT 3	GOOD 13	FAIR 1	POOR 1
Accommodations	EXCELLENT 6	GOOD 7	FAIR 4	POOR
Career Development	EXCELLENT 8	GOOD 8	FAIR 2	POOR

4. What was your favorite academic part of the event and why?

Data 10 Test 2 Training 2 Career Exploration 1 Hands on 1

5. What was your favorite non-academic part of the event and why?

Meal Time 2 Outdoors/no tech 3 Night Hike 3 Student Bonding 3 Free Time 1
Campfire 2 Location 2 Price is Right 1

6. Please provide a one sentence “testimonial” about Forestry Challenge:

The Forestry Challenge is a unique experience to learn about the forestry industry and apply it in a real life setting.

The Forestry Challenge gives you an opportunity to learn, connect with forestry experts, and have loads of fun!

A wonderful experience that addresses an area that every school-aged student should attend or be introduced to. Getting 'back into nature' is a lost art and area that should be part of curriculum at all grades.

The Forestry Challenge gave our students an opportunity to learn a lot, apply their knowledge, and determine if they want to pursue a future career in forestry.

I enjoy watching my students at the Forestry Challenge. It is the most authentic learning experience they participate in and they love it.

Forestry Challenge provides students with an opportunity to apply real world data in a meaningful and engaging way to inspire young minds to pursue careers in STEM, specifically forestry, environmental science, and natural resources.

Forestry Challenge allowed my students to learn about and use tools they wouldn't otherwise have access to.

I love seeing my students enjoy being together outside and working together on a project.

Every California student should have an experience in an actual forest with an RPF. So important!

Providing resources to students who need non-college career paths is invaluable and should be encouraged more in school.
