

## Notice for Student Bulletin

Hey students! Are you considering a career working out of doors? Then come to a meeting on \_\_\_\_\_ (*date and time*) \_\_\_\_\_ at room \_\_\_\_\_ to learn about the Forestry Challenge. \_\_\_\_\_ High School will be going to a Forestry Challenge event this fall.

*Text Option #1:* The Forestry Challenge is a competition in technical forestry and current forestry topics, where students spend four days in the forest learning about its ecology and management. You'll come away from this experience with hands-on field experience and a look at natural resource management as a potential career option. Plus, it's a lot of fun to hang out with friends in the forest. Hope to see you at the meeting!

*Text Option #2:* Forestry Challenge will get you out into the forest, introduce you to careers in the forest, and is also a lot of fun. Hope to see you at the meeting!
